

Pro Trading Journal

Setup Instructions

Step 1: Open the template in Google Sheets

[Click here to open the Trading Journal Template](#)

Step 2: Make a copy in your Google Drive

Go to **File** → **Make a Copy** to create your own editable version.

Step 3: Start logging your trades

Enter trades in the Trade Log tab. Dashboard and Analytics update automatically.

Quick Tips: Be consistent with setup names. Log every trade. Fill the Mistakes column honestly. Review Dashboard weekly.
